

GAA MEMBERS CONTRACT

I _____ (hereafter “contractee”) hereby releases and agree to hold harmless Graphic Artist Association – GAA (hereafter “The Organization”) their legal representative, assigns and all persons acting under their permission or authority, from any liability by virtue of any reasons whatsoever. Contractee further releases the right to sue or demand compensation from The Organization, assistants, assigns, representations and those acting under their authority or permission.

Now, the 10% or money received by GAA is not filed as income on a tax return by us, it is solely your money given to us as “non-tax-related claims” endowment; though we collect it. Thus, when filing your self-employed tax return, all monies paid in full by a client are to be reported as income earned by you. Earn Income can only be claimed and taxed by one individual from one “work” – you the contractee: Plus we are not in partnership type cooperation. GAA is a non-profit type organization; profits are made, but they go straight to administration and member incentives. It is also strongly recommended you file your individual tax return yearly; see resources page of our website.

Works started by the contractee must be completed by the contractee in conjunction with their clients.

Only The Organization holds the right to veto any contract and contractees are forbidden to breach any part of this contract, as it is a legal binding document. I understand and agree that no representative or assigns of The Organization has any authority to enter into any agreement for any specified period of time on behalf of the Organization; unless it is written and signed by an authorized Organization representative.

Contractee hereby affirms that his or her date of birth is _____ and that the contractee is fully able to contract in his or her own name without breach of any prior agreement or applicable law.

I, the Contractee, authorize investigation of all statements contained herein and release The Organization from all liability for any damage that may result from authorization of such information.

I have read all the above authorization and contents of this contract, and I am fully familiar with and agree to the contents thereof.

I certify that the facts contained in this application/contract are the true and complete to the best of my knowledge and understand that if contracted, falsified statements on this form shall be grounds for breachment and termination.
